

Pi Kappa Alpha Alumni,

My name is Jeff Lynch and I am currently an active member of the Pi Kappa Alpha fraternity at West Virginia University. I have been nominated as the Alumni Relations for the Alpha Theta Chapter. To tell you a little about myself I am currently a Junior at WVU, doubling majoring in Biology and Communication Studies. I pledged fall 2012 in the Tau Class. I am originally from Goldsboro, N.C.

I am a firm believer that the reason alumni do not come back to their alma mater to reminisce about the good old Pike days because there is such an age gape between alumni and active members that the alumni feel uncomfortable or not welcome. I would like to change that to have better continuity between both parties. With that being said I am going to volunteer myself to be the middle man for both parties. Plus I have always wanted to hear stories of living in the old Pike house, or what the new school guys, like myself, call it the OG (original gangsta) House.

I will start sending out bi monthly or monthly newsletters to all alumni so you all can keep tabs on what is going on with the fraternity. In the newsletter I will provide as much information as possible about recent events and a quick biography of a couple members of the fraternity. I will do a new brother and an older brother. There is a lot of information to be released so I will try to have that done by tonight. Also there will be a donate button at the end of the newsletter to donate any amount of money at anytime.

Now, lets get down to the good stuff with Founder's Day coming. Founder's Day will be held on Saturday, February 28th from 7pm-11pm in the Touchdown Terrace Room of the football stadium. For those of you that went last year it'll be in the same exact place. Sodexo catering company will be serving bbq chicken, steak, fruit, pasta salad, assorted veggies and cookies. There will also be an open bar, just like last year. We do ask that you tip the bartender. The pricing is as follows \$80 for one person and \$120 per couple. You will pay at the door. Don't eat too much food and not leave room for drinks like I did last year. I have a list of just under 500 alumni so I better see a lot of you there. I look forward to this day and interacting with each and everyone of you. Before I forget please email me back, before February 23th, with an RSVP. I have give Sodexo a final head count before the 23rd.

Also just some housekeeping issues. Feel free to email me at anytime about any questions, suggestions, concerns, etc about the fraternity. I know in the past our partnership with alumni has been paramount so my main goal is to get it back up to par. Take care and hope to see you all Saturday February 28th.

Very Respectfully,

Jeff Lynch
