Last chance for “Sadie”

“Sadie” is in the Morgantown area! For the last 18 years she has been stored in a 40 foot long trailer. Soon she may be gone forever.

Is it time to save “SADIE?”

In the early 60’s this 1930 American LaFrance Pumper was acquired, restored and served Alpha Theta well through the 60’s and 70’s. She was christened “Sadie” after Ms. Sadie Henderson, House Mother at the Alpha Theta Chapter house for many, many years.

The IKA fire truck in appeared in many parades in the 60’s and 70’s.

Many fond memories of Sadie are shared among alumni today.

The purpose of this newsletter is to raise support for an investment group to attempt to acquire then store, restore and maintain Sadie. Please express your interest by responding with the dollar amount you will invest in the “Sadie project.” Sadie is currently listed on “Craigslist” at a somewhat negotiable price of \$7000.

The last time Sadie saw the light of day this picture was taken.

Many Pike chapters have fire trucks although Pike International does not recommend them.

EMAIL GARY EARP AT WVUPIKES@COMCAST.NET AS SOON AS POSSIBLE TO RESPOND.

The clock is ticking.
